COUNCIL COMMUNICATION

AGENDA TITLE: Adopt Resolution Awarding the Contract for Asphalt Materials for Fiscal Year 2001/02 to Granite Construction Company, of Stockton (\$141,920)

MEETING DATE: August 15, 2001

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt a resolution awarding the contract for asphalt materials for fiscal year 2001/02 to Granite Construction Company, of Stockton, in the amount of \$141,920 for 4,000 Tons/FOB Plant.

BACKGROUND INFORMATION: This contract provides asphalt materials for various street maintenance projects carried on throughout the City during the fiscal year.

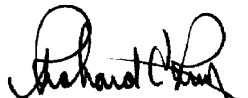

Specifications for this project were approved on July 18, 2001. The City received two (2) bids for the asphalt materials as shown on the attached bid tab. The bid tab is calculated using price per ton, taxes, and the addition of \$1.11 per mile to the plant from the yard as per Bid Requirements, Item No. 9, of the specifications for the City's cost of hauling material. This year's contract prices show an average 9 percent increase in price per ton. This is directly related to energy costs, which include oil, natural gas, and electricity needed for the production of asphalt. This increase was anticipated and the current Street Division budget has sufficient funds.

The Street Division recycles the asphalt removed from our roads for secondary uses. Granite Construction Company will accept these spoils for recycling at no charge.

FUNDING: Budgeted Fund: 2001/02 Street Maintenance Fund \$141,920.00
Project Estimate: \$141,920.00
Bid Opening Date: August 1, 2001
